AMENDED SCHEDULING ORDER

THIS MATTER having come before the Court by way of a December 3, 2021 joint request from the parties (ECF No. 489) seeking an extension of discovery deadlines to allow for the coordination of depositions; and whereas several of the parties to this action are also parties to a patent case pending in the District of Delaware; and the parties anticipating that many of the witnesses to be deposed in this action will also be deposed in the Delaware action; and the parties notifying the Court that several witnesses will need to travel internationally to provide such depositions; and the parties having agreed to coordinate these depositions such that the burden on witnesses and counsel may be minimized; and, therefore, good cause having been shown,
